FOREWORD:

This school, founded in 1925 under the name of The Vancouver School of Decorative and Applied Arts, now bears the name of The Vancouver School of Art. The school is an integral part of the city's educational system and has the approval and support of the Provincial Department of Education.

Originally founded for the purpose of training students in the various branches of Decorative and Applied Arts, Drawing and Painting, Modelling and Architecture, it continues that purpose with a full appreciation of the ever-changing needs of the student, together with an adherence to those basic art principles that underlie all variations.

The training offered is one of university standard and the award of the School Diploma marks the successful completion of a four years course.

The Diploma bears the seal of the Department of Education and this school is the only art school so recognized in the province.

The holding of such a diploma marks the student as one who has successfully completed a recognized course of art training and is also a prerequisite to students desirous of qualifying as art teachers.

The following courses are offered:

DIPLOMA COURSES.

This is a four-year course aiming to provide advanced training in whatever branch of art the student may elect to follow. First and Second Year subjects are obligatory on all students, thereafter options may be exercised by the student in conformity with the syllabus and under guidance of the Director.

MERIT CERTIFICATE COURSE.

This is a two-year course for students training for Commercial work or studying on general cultural grounds but who are unable to take the four-year diploma course. First Year subjects are obligatory, thereafter options may be exercised by the student.

PART-TIME COURSES.

Part-time courses in practically all subjects may be had by those who do not desire to follow diploma or certificate courses.

The Director of the school will be pleased to advise suitable subjects and time-tables for part-time students. No certificate is offered for Part-time courses.

Details of courses will be found elsewhere in this prospectus.

Opportunity will be afforded each student to practice a craft in each year of their school life, to the end that design and material may become a practical art expression.

The Staff is one which combines mature and young artist-teachers, bringing to present-day art problems and practice an outlook based on wide training and recognized professional achievement.

Each student will have the advantage of different instructors, all of whom are skilled executants, thus affording the student opportunity for breadth of training and outlook.

SCHOOL LOCATION.

The school is centrally located at the corner of Cambie and Dunsmuir, within easy reach of all the important car lines. Telephone Trinity 2651.

ROOMS AND EQUIPMENT.

The several rooms are large, well lighted and furnished and contain all necessary equipment for study.

A pottery kiln, etching press, casting room, air-brush and silk-screen process for commercial art purposes, and a fully-articulated skeleton for the study of anatomy are included in the school equipment.

LIBRARY.

A valuable art reference library has been built up in the course of years and is available for the use of students, while current art periodicals can also be studied.

STUDENTS' CLUB.

The student activities of the school are managed by a students' council elected by their fellow students. Membership in this club is expected of all registered day students. A small club fee is charged. The activities usually include Sport, Socials, the Nativity Play at Christmas, for which the designing and making of decorations and costumes form a valuable part of the student's experience.

SUMMER CAMP.

An annual summer sketching camp open to present and past students of the school is held in June. This camp is run at cost and no tuition fees are charged.

This is a feature of the school life eagerly looked forward to and productive of much open-air work and happy student memories.

EMPLOYMENT.

The school is frequently asked to recommend students for work or private commissions and is at all times solicitous for the placing of its students or their work.

ADMISSION.
